GETTING STARTED

To setup Smart Connect we need to make a couple of simple changes to your account.

Before proceeding with the rest of the guide, **please call 0345 120 4520, or email, smartconnect@philipharris.co.uk** and one of our team will activate your account so that you are ready to complete your activation and start saving time on your procurement process.

You will also need to check the 'Tools > eProcurement' Settings in your SIMS FMS. If this option is greyed out and therefore disabled you will have to contact your SIMS representative to enable it, either at your Local Authority or contact Capita directly.

FINDING YOUR DUNS NUMBER

If you are unaware what your school's DUNS number is, then you can find it using this handy tool provided by DUN and Bradstreet.

https://www.dnb.co.uk/duns-number/lookup.html

Simply enter your establishment name into the **Search By Company Name search box**. To help the refinement process, you can also add your postcode and postal town.
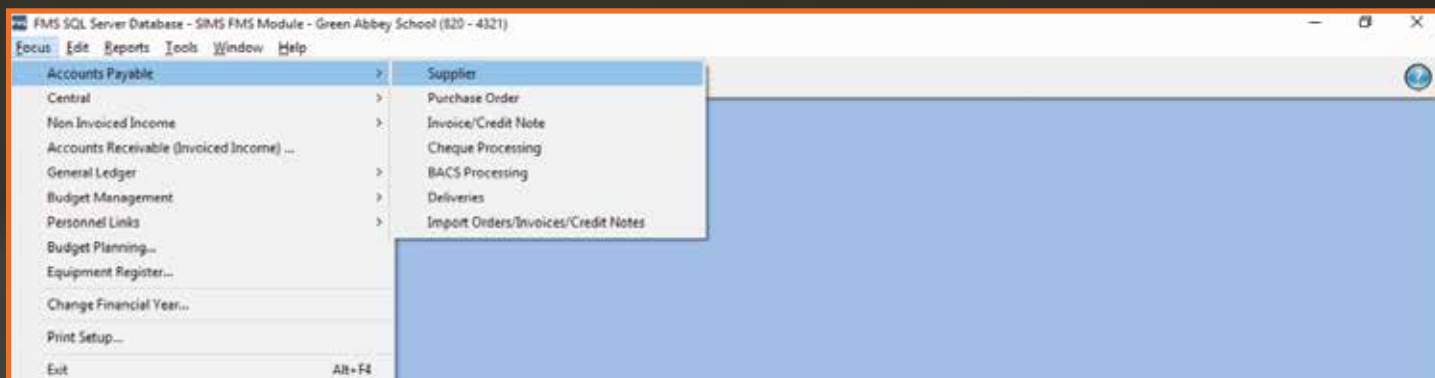

You can also find your DUNS number if you know your company registration number, by using the tool adjacent to Company Name search.
